Space, Graphic and Sales Promotion Design Company

All necessary services related to trade fairs will be arranged by Artfreak.

Artfreak provides a total solution service for trade fairs and events. We support event projects at every stage such as planning, stand construction and event operation. Experienced in-house designers and carpenters always assure high quality service. We'll be the perfect partner for your project.

Lineup of customized system booth stands

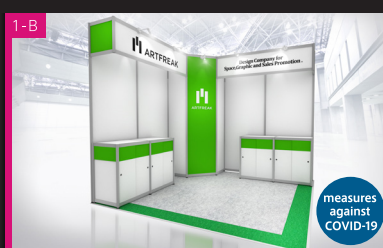

We propose a new system booth design lineup for those who hesitate to order a full custom-made booth stand because cost is a concern. Exhibitors can add some necessary functions and get their own system booth stand which is useful and reasonable. Please feel free to consult us if you have any questions.
